### **EXPLANATORY NOTE**

(This Note is not part of the Order but is intended to indicate its general purport.)

This Order amends waiting and loading restrictions in part of Hanworth Road, Hounslow to prohibit obstructive parking and provide access for pedestrians, cyclists and vehicle users.

**London Borough  
of Hounslow**

## **Hanworth Road, Hounslow and adjacent side roads - Experimental Parking Restrictions**

### **Statement of Reasons**

In response to the vying demands for highway use amongst pedestrians, cyclists and vehicle users, and in light of the ongoing informal footway parking occurring, the council are proposing the introduction of waiting and loading restrictions to prohibit obstructive parking.

These restrictions will include no waiting and no loading 'at any time' restrictions along with daytime waiting (Monday-Sunday, 7am-7pm) and peak-hour loading restrictions (Monday-Friday, 7am-10am & 4-7pm).

In addition to the proposed waiting and loading restrictions, the council are also proposing to formalise footway parking where there is sufficient footway space to do so. This manner of parking will be all 4 wheels on the pavement and will solely be confined to the north-west side of the road. The footway parking currently occurring on the south-east side of the road will be prohibited due to the narrowness of the existing footway and the inevitable difficulties this causes pedestrians.

The proposed waiting and loading restrictions, along with the formalisation of footway parking, is also anticipated to increase accessibility to the existing informal cycle lanes.

These measures are initially being introduced experimentally in order to assess their effectiveness before a decision is taken whether to make them permanent or not.
