EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order imposes a restriction on motor vehicles entering Swyncombe Avenue from Boston Manor Road.

**London Borough
of Hounslow**

Swyncombe Avenue, Brentford - Experimental No-Entry Restriction

Statement of Reasons

The London Borough of Hounslow has made the decision to implement an experimental traffic order to introduce a no-entry into Swyncombe Avenue from Boston Manor Road.

This is to reduce the amount of through traffic and to prioritise the safety of pedestrians and cyclist.

Access to premises, both residential and commercial, will be maintained from the eastern end of the road.

The no-entry restriction is being introduced by way of an experimental traffic management order to enable the restrictions to be trialled, and amended further if necessary, following feedback from residents, businesses and other stakeholders.

If the restrictions remain in place for a minimum of 6 months, then the council will determine after that time whether they should be made permanent or removed.
