**Introduction of Parking Charges, Osterley Sports & Athletics Centre,  
Wood Lane, Isleworth**

**Statement of Reasons**

The Council is proposing to introduce a controlled off-street parking place order in the Osterley Sports & Athletics Centre car park and introduce restrictions and charges as detailed in the draft Order.

This car park is currently free to use and are being used for commuter parking or long term residential parking, which restricts the availability of parking space for visitors to the sites who are the intended beneficiaries of the facility.

Provision of charges may also help encourage patrons to use alternative modes of transport to access the site in line with council and mayoral policy.
